LETTER TO EXAMINER

I am writing to request that you reconsider my response to the Final Office Action and withdraw the Advisory Action of August 22, 2007.

After receiving the Advisory Action, I telephoned and left you a message inquiring as to why the amendments made in response to the Final Office Action, which consisted of rewriting the allowed claims, were not entered. In response to my inquiry, you left a telephone message on September 11, 2007 stating that in order to withdraw the Advisory Action, this file would need to be placed on your docket. In order to place the file on your docket you said that I should submit a written request for you to reconsider my response to the Final Office Action and to withdrawal of the Advisory Action.

Please consider this letter said written request. If you have any questions, please call me. Thank you for your attention to this matter.

Respectfully submitted,

VIDAS, ARRETT & STEINKRAUS
